## PSA Committee Changes – Alan Brooks PSA Chair

There have been some changes in our set up for this school year; Catherine Patterson and Charlotte McCann (Chair & Deputy Chair) have decided to step down although they'll still be involved in upcoming events, they can't escape that easily. I've taken over the role of Chair and David Beattie is now the Deputy Chair – we're both two long standing PSA committee members.

I'd like to thank both Catherine and Charlotte for the hard work and support they've shown over the last years. At last week's AGM, we welcomed new committee members and also increased our pool of helpers for busy events so thank you all for coming on board! We said bye to some members whose children have moved on to 'big school', we're grateful to all of them for their years of service.

As you'll know, Cairnshill has a Parent Staff Association (PSA) with a long and successful history and I hope to be able to continue with that tradition. The PSA is a registered charity consisting of parents and staff volunteers. Our aim is to fundraise (outside of the school's budget) for the benefit of all our children in school; we do this by engaging with the wider school community through organising activities and events for our children, parents, families and friends.

- All money raised goes towards widening and enhancing the quality of our children's learning and their overall school experience
- The PSA is open to ALL parents and staff and we are representative of the school community

We'll update you shortly on our planned calendar for the coming year, in the meantime our first events are the Curry Night at Bengal Brasserie on 16<sup>th</sup> October and the Family Photo night on 23<sup>rd</sup> October (details to follow for that).

I hope your children have settled in to a new school year and I look forward to catching up with you over the next few weeks and months.

Thank you for all your PSA support,  
Alan
